ITINERARY

Day 1 – Cairns to Cape Tribulation

Experience one of Australia's most scenic coastal drives along the Captain Cook Highway. Visit the unique Rainforest Habitat Wildlife Sanctuary and see the endangered Cassowary and a myriad of other wildlife, including Koalas and Crocodiles. A guided walk gives you the opportunity to learn more about the unique rainforest wildlife and enjoy free time with the option to purchase 'Breakfast with the Birds' (\$15 at own expense).

Take a guided rainforest walk up to the suspension bridge at Mossman Gorge in the World Heritage Daintree National Park with the opportunity to swim in the crystal clear Mossman Gorge (weather permitting).

Look out for local wildlife including water birds and Estuarine Crocodiles on a 1 hour Daintree River Cruise. You will have free time to enjoy the iconic Cape Tribulation Beach or join the guide for a walk through this unique beach side ecosystem before being dropped off at your choice of accommodation.

Day 2 – Day trip to the Outer Great Barrier Reef

You will be picked up from your accommodation for your full day tour to the pristine reefs off Cape Tribulation. Enjoy unlimited snorkelling (snorkelling gear included) from our personalised vessel or if you have not dived before, try a fully guided introductory dive – an unforgettable experience in a safe environment with our qualified instructors. We also cater for certified divers and provide all scuba equipment (at additional cost). Return transfer to Cairns departs at 4.30pm (or as advised by your guide). (B*L)
